

## Group Contract

---

### Team contract for Exhalation

- We agree that we will participate actively in this class project.
- We agree to consistently meet at **Monday from 4-6** each week for the duration of the final project. [minimum 2 hours a week].
- We agree that we will do actual pair-programming and that we will switch partners regularly during those meeting times.
- We agree that we will respond to e-mail/calls/ etc from our team members and the staff within **4** hours.
- We agree that we will post our progress frequently on our GitHub wiki (We will use our .ReadMe for this).
- We agree that we will seek help from the staff and not wait until the last minute before the assignment is due.
